### **Team Building...Kick-Start Your Team Program**

Every SplashPlay Gamification agent has enthusiastically expressed his or her desire to develop a team of SplashPlay agents. We, however, understand how busy you are during this early-stage of your SplashPlay career. As such, to help you achieve your goals with SplashPlay, we are excited to announce SplashPlay's **Kick-Start Your Team** program.

Under **Kick-Start Your Team**, all you have to do is share the following link (Copy and Paste into an email) with your friends and invite them to fill out the simple inquiry form.

Once we receive their requests, we will happily schedule a telephone interview and share SplashPlay's opportunity on your behalf. If we believe SplashPlay's Gamification Agent opportunity is a good fit for your referrals, we will enroll them under you. Its as simple as that.

**To ensure that we properly track your agent referrals, please instruct your friends to enter your Name and your SplashPlay Agent ID in the inquiry form.**

Thank you for beng a membr of our growing team.

Good luck,
