ANNUAL ECONOMIC PROJECTION

To determine your organization's annual revenue from SplashPlay follow these three simple steps:

- STEP 1:** Identify the number of individuals the Sponsor reaches, through all marketing and promotional channels, in the column titled "Direct Reach."
- STEP 2:** Proceed across the table from left to right to Sponsor's anticipated "Engagement Percentage" which is the estimate of Direct Reach population to play trivia games.
- STEP 3:** Sponsor's annual projected revenue is the number at the intersection of "Direct Reach" and "Engagement Percentage." *For example, if Sponsor anticipates a 15% Engagement rate from 70,000 people, Sponsor potentially receives \$2.1 million annually.*
